

Boys and Girls of the Havant YBC

All of us at Havant YBC are very proud to see how well you have all done at the recent Hampshire BTBA County Trials. Lets honest, we completely dominated the top ranks with some very impressive bowling.

The hard bit now is keeping your focus, it is very important you listen to your instructors, as they are with us to get you bowling at your very best.

With your determination and the loyalty of your parents, I am confident you will all do very well representing your YBC, your County and may your Country.

Well done, keep up the good bowling.
